www.acro.org/education/annualmeeting

ACRO 2021 will be a powerful digital experience for attendees and exhibitors/supporters.

Access

Connect with more than 400 anticipated attendees! The 2021 ACRO Summit is expected to garner additional interest and participation because of its virtual aspect. Connect with attendees who wouldn't normally be able to attend in person. The 2021 Virtual ACRO Summit expects to deliver a diversified program with two distinct tracks: one designed for radiation oncologists to network with colleagues, mentor the next generation of doctors, and learn the latest information on a wide range of continuing medical education topics; and a second track for practice administrators dedicated to providing education on best practices in radiation oncology administration.

Content

The 2021 ACRO Virtual Summit will provide live and on-demand opportunities to present educational content and product or service content directly to attendees. This content will be present on the meeting platform for 12 months after the meeting

Engagement

The 2021 ACRO Virtual Summit will provide many opportunities to engage with attendees – video chat, meeting rooms, Q&A, polling and analytics. Present your custom message to attendees! Engage with attendees through the presentation of content-specific education that you develop.

Analytics

The 2021 ACRO Virtual Summit is complete with comprehensive analytics for exhibitors and session sponsors to gather those ever important leads. Just as you would while onsite, your virtual booth will be able to provide you with detailed information from attendees who visit your booth or view your sponsored content. As an exhibitor you will have access to your own exhibitor portal where you can pull booth analytics. Your analytics will include the following:

- i. **Live Attendee Impression Tracking** (name, credentials, position, organization, biography, email, phone number, mailing address, social media, booth views, content views, info requests.).
- ii. **“Request information” button** so attendees can submit a request or comment and exhibitors can personally follow up.
- iii. **Easy exportable excel reports** for Attendee Impression tracking and Information Requests.

Who Attends

Over **400 physician leaders** who are responsible for the day to day practice of radiation oncology attend ACRO's Annual Meeting.

Your logo placement on the virtual poster platform will be prominently displayed as recognition of your support.

Trainee Awards for Residents and Medical Students

\$2,500 per company

ACRO encourages members-in-training to attend the annual meeting, which is a great opportunity for the residents and medical students to engage with colleagues, launch their careers, and participate in valuable CME and other educational programming. We would love to find two to three corporate sponsors to contribute to a fund to underwrite the registration costs of trainees who attend the conference, with the goal of providing a number of \$50 stipends. This is significantly lower per trainee due to the annual meeting's virtual platform. Your sponsorship includes acknowledgment in the program, onsite signage, website, and meeting app.
